Sin and Salvation

MESSAGE DATE:

07/14/2024

MESSAGE SUMMARY:

In this sermon, Pastor Matt talks about sin, salvation, and the importance of faith in Jesus. Sin originated from Adam and Eve, leading to a sin nature inherited by all. Through Jesus, salvation is offered as a gift from God, received through faith. Salvation involves actions like repenting, believing, confessing, and being baptized, all rooted in faith. After receiving salvation, believers enter a new relationship with God, taking on new responsibilities and relying on Jesus' grace. Pastor urges the congregation to share the Gospel, support each other, and continue their faith journey at ACC.

DISCUSSION QUESTIONS:

1.) What are some new responsibilities we take on after we are saved?

Pastor Matt talked about our new relationship with God and mentioned living for Christ and sharing the Gospel with others.

How can you apply these new responsibilities in your daily life?

2.) How can relying on Jesus and His saving grace help us overcome challenges?

Pastor Matt shared that when we are saved, we can rely on Jesus and His saving grace rather than our own efforts.

What challenges are you facing in which you need to trust Jesus' saving grace instead of relying on yourself?

3.) What steps can we take to share the Gospel with someone in our life?

Pastor Matt encouraged the congregation to think of one person who needs to hear the Gospel and share it with them.

Who is one person in your life that you can share the Gospel with, and how can you start that conversation?
